and all is mended

for soprano solo, orchestra and live-electronics (2024)

commissioned by Audi Sommerkonzerte

CLICKTRACK STARTS 2 BARS BEFORE!

ABLETON PRESET:
Dotted Eight Note (8 x 8)
Echo Valley (Rate 1/16)

Note: As soon as you start singing, the vocal effect will be triggered.
The vocal effect (a combination of regular and gated delay) creates a rhytmical, 16th-note flickering soundscape.

Sara Glojnarić

Text: an excerpt out of W. Shakespeare's *A Midsummer's Night Dream*
